

Sinclair Broadcasting's decision air "Stolen Honor", a clearly partisan and biased propoganda film, is in my opinion a clear infringement of the Equal Time rule.

As the FCC is well aware, is not fair for Sinclair to air this movie without allowing the Kerry campaign to respond to its charges with equal time for free. As a citizen who is an owner of the PUBLIC airwaves I find this kind of abuse of the political process to be completely against what the United States stands for.

Please, take your role seriously and evaluate what Sincliar is doing. You are often quick to fine the industry for obscenity....consider what Sinclair is doing as obscene as well. Thank you.
